PROLOGUE

Samajik Seva Sadan came in to existence during the year 1982-83 and constantly rendering social work and community development services without any interruption. Apart from the activities we rendered during the yester years, during this year we initiated work on Integrated Sustainable Village Development, Sustainability of community health, Literacy promotion, micro finance, poverty termination through User Group based approach, total sanitation campaign, slum area development and Supported the Rural habitat development through construction and expansion of low-cost eco friendly building for the Villagers of Banjhikusum under the Slum development program of Dhenkanal Municipality, Capacity building of village women, Social Welfare Administration and other Line department schemes, as well as livelihood support initiatives for the balanced and integrated development of the resource poor communities with emphasis to women, entrepreneurs, rural artisans, Dalits and Tribal. Apart, building linkages and developing collaborative projects with likeminded government and non-government organizations within both the District, State as well as the organizations of national levels. Collaborations, networking, rapport building, linkage & referral, institution building and enhancing livelihoods or livelihood security are the key words that define Samajik Seva Sadan's area of work in the year 2014-15.

We gratefully acknowledge the contribution of each and every agency, stake holders without whose contribution the above mentioned work could not have been accomplished. Last but not the least we convey our heartiest thanks to one and all who shown their interest for greater prosperity of the vulnerable sections in joining their hands with Samajik Seva Sadan for bringing an upward qualitative change in the standard of living and quality of life of the resource poor and vulnerable segments of the society .

Director

The organisation

Samajik Seva Sadan is non profit, non-governmental organization based in Odisha, India. It aims at facilitating the establishment of a just and healthy society in which the poorest of the poor have the power to attain a better quality of life with equal access to and control over resources. Since its inception in 1982, Samajik Seva Sadan has been committed to the implementation of social justice and the development of marginalized sections of society.

Samajik Seva Sadan began itself with a non-formal education center at Banjhikusum a **JUANG** Indigenous hamlet, in 1982. From 1983, marked by establishment of rapport building with the communities and better understanding of the magnitude of the problems, issues affecting the communities, by 1985 it extended its service to 15 more hamlets around Banjhikusum to alleviate poverty. The Organization got itself Registered in 1985 Under the Societies Registration Act of 1860 to become a legal entity. In 1986 it was registered Under FCRA & in 1987 Registered with Income Tax Department and under 80G in 2007. Samajik Seva Sadan is accredited by Credibility Alliance, New Delhi in the year 2011.

Samajik Seva Sadan is an outcome of an effort to address social issues, a need to empower the vulnerable section of the community; especially women and children, poverty stricken population living in remote, tribal areas, forest dwellers, artisans etc. Registered in 1985, Samajik Seva Sadan within the span of its interventions has implemented programmes to enhance the quality of lives of such persons, strengthening their respective financial capacity, emerging as a collective in different forums, SHCs/SHCs, and be able to create assets to address their needs at own level.

In pursuance of its objectives, Samajik Seva Sadan has implemented projects and programmes pertaining to women and child development, education for the children, addressed youth and adolescent issues, nutrition issues, women empowerment and protection, Health & sanitation, address livelihoods issues, financial inclusion and literacy Leadership Training for Minority women etc. SSS has developed an integrated strategy by combining direct service delivery with development support activities, such as research, advocacy and networking with over 22 highly skilled professional personnel

3. Monitoring of Socio Economic & Political Empowerment of Tribal and Dalit women through Self-Help Cooperative Society in Sundargarh run by themselves.

It is proved through our last 8 years of collaborated work among 4 SHCs it is noticed that the rural women of this area has greater potential to shoulder responsibility for their own and community development. Now the Govt. of Odisha has abolished the SHC Act-2001. Thus we have supported them to form in to an informal federation and operate like a Women Bank in Subdega. All the 4 SHCs have registered with Govt. under the Cooperative Act of 1962. Today they are growing ever strong with the Matching grant of Rs.800000/- provided by Andheri Hilfe as the parting gift for the women to reach Greater Heights. Samajik Seva Sadan promoted, nurtured & made them capable of managing their cooperative by themselves. Presently SSS is monitoring that this Financial Institution of Adivasis women becomes a women bank for the 2800 families in 4 GPs.

4. Tribal & Dalit Women Empowerment in Dhenkanal 48 villages in Sadar Block of Dhenkanal District, Odisha, Self supported by SSS.

The 48 villages that were taken up for an integrated development from 1993 to 2002 with the support of Action Aid has been formed into 3 SHCs & monitored by us though there was no external support for this.

5. Gangpur Industrial Training Institute (GITI):

Gangpur Industrial Training Institute is Self Supported by SSS with Partial Support by Tribal Ministry through Directorate of Technical Education & Training (DTET) & Integrated Tribal Development Agency (ITDA). Since the support promised by ITDA did not come forward, we requested Andheri Hilfe for an interim relief to stand by till the support for the second year comes from ITDA and Andheri Hilfe came forwarded. This year we have 42 students admitted to the 2 years training course 21 Trainees in fitter and 21 Trainees in Electrician Trades.
